

Event Praise Report

Colorado Prayer at the Heart took place on Saturday, September 24, 2022. Over 200 believers in Jesus Christ, gathered, repented and received what God has in store for His people in Colorado. Those in attendance intentionally and proactively invited God's tangible, manifest Presence into the Tent of Meeting and into every community statewide. This report provides testimonies and revelation from various participants.

Pre-Event Revelation

I have been interceding for the South Park/Hartsel area for over 35 years being led to declare "Intercessors Gather". In a vision several years ago, I was a white eagle flying over South Park. As I flew over Hartsel, I was told to release an arrow that I had in my talons. As the arrow struck the ground, I saw great shock waves spread concentrically in all directions throughout the entire state, some of which even seemed to go further and further out into the surrounding states. And then I heard the Lord say, "This is the epicenter of My Glory." Then He said, "I will be doing this in remote out-of-the-way locations in many states." This vision occurred long before the national Prayer at The Heart movement was even conceived. I believe that Colorado Prayer at The Heart released the shock waves of God's tangible, manifest presence statewide and beyond. D.B.

The Lord gave me a vision that, as we struck the heart of Colorado with repentance, prayer and worship in Hartsel, a massive geyser in the spirit of miracles, signs and wonders exploded and simultaneously geysers erupted all across the region in the 'prepared places' where the people laid all down to follow Jesus and His will for their ministries, churches and lives. I saw that all the land of Colorado began to be flooded and eventually submerged under the living water of the Holy Spirit. When receiving this word, I had no indication of the theme of repentance that overshadowed the whole event. N.B.

Sept 20, 2022. What will come out of this day was destined by the Holy Spirit for such a time as this. It is for instance, like a radar that had a small blip is now becoming one where the blip fills the entire screen. That blip is the Holy Ghost on Colorado🔥🔥 God has not forgotten Colorado, and He is now come to visit with his fires! Colorado will be shaken to where revival will now fully be unveiled. Hallelujah. E. M.

Pre-Event Healings

On Sept 22 and 23rd, many of the leadership team arrived in Hartsel to pray over the land and begin to set up for the event. We could sense God's presence and favor.

1. J.A. – He was part of the planning team for the event. He participated in prayer over the land on Sept 22nd. That night he had unexplained back pain that made it hard to walk. Friday morning, it was extremely difficult to walk due to the pain. Several of the team prayed over him and the pain completely left his body.
2. G.L.– Raising that big tent on Friday the 23rd was not easy. 12+ people stepped in to lift the poles little by little to get all of the poles in place. G.L. was one of the few handling the main tent pole which was massive. He injured his back holding and pushing up that center pole. After the work was done, he retreated to his RV to deal with the pain. Several from the team went to him and prayed over him until the pain was miraculously, completely gone.
3. M.O. -
 - 9/23 As a cancer survivor, M.O had many residual effects from chemo and radiation treatments. On Friday, God was moving after the tent was erected and several people prayed for her to be healed. Her hips were completely healed, restoring completely normal movement of her legs and hips.
 - 9/24 Everyone was excited about the healings that had taken place on Friday and there was deep faith for more healing for everyone. Several prayed again for M.O. and God completely restored her from every remaining debilitating effect of chemo and radiation treatments. God is so good!!

Event Planning Testimony

Based on input from Prayer At The Heart at the national level, we originally budgeted \$25,000 - \$35,000 for this outdoor gathering. As the Lord brought one divine appointment after another, items were donated and gifted every step of the way. As a team, our only cash outlay for expenses came to \$1,676. Everything else was covered by individuals. After covering the expenses, the love offering was donated to ministries that supported Colorado Prayer at The Heart (A.E.)

Scripture Stake

The leaders of Pray Oregon provided the Colorado Prayer at The Heart team with a large stake to use as a prophetic, symbolic act. We planted the scripture stake at the heart of Colorado in Hartsel in the middle of the Tent of Meeting. The wooden stake contains 70 scriptures which our team prayed out loud together after burying the stake in the ground.

Sackcloth Mantels

As they signed in at the entrance to the Tent of Meeting, participants were prayed over, their possessions were blessed, and they each received a mantel of sackcloth to wear as an act of humility before God. The revelation to require the sackcloth mantels came directly from revelation and the Word.

One of the members of the Prayer Council for CO PATH casually commented that it seemed like the event was a sackcloth and ashes event. Immediately everyone on the team felt His Presence and anointing as confirmation of the comment. So we asked the Lord if He literally wanted the team to issue sackcloth to the participants? We weren't sure, until the following happened:

The phone of one of the prayer team went off during the prayer call where we were addressing this very question. It had been on silent mode, which means it shouldn't have rung. When he picked up the phone there was no phone call registered but his Bible app popped open without

being prompted to do so. The Bible app was opened to a verse that he had never looked at on his phone in the app. The verse was Nehemiah 9:1 and reads as follows:

Now on the twenty-fourth day of this month the children of Israel were assembled with fasting, in sackcloth, and with dust on their heads.

That supernatural prompting was all that was needed to confirm that we were to provide sackcloth mantels to every participant. And, the Scripture reference further confirmed the date the Lord choose for us to hold the CO PATH gathering (Sept 24th) because it was the 9th Chapter and referenced the 24th date.

Worship Testimony

Three seasoned, spirit-filled worship leaders who did not know each other felt called to participate at CO PATH. Due to circumstances along the way (or God's divine will), only one zoom meeting was held between two of the worship leaders. All other communications took place via text. The first time the worship leaders met was when they arrived to set up the instruments on the platform Saturday morning. Holy Spirit took over from the beginning and 5 of hours of worship and prayer engaged the Godhead in a powerful way. (A.E.)

Testimonies & Visions

During the beginning of the service, I saw something I never saw before. I saw white angels all around the tent, standing close together with no gaps, and they had their arms on top of each other's shoulders. I felt they were linking angels, joining us together, and providing a wall of protection as well. Then the worship leader talked about us holding hands in the storm.

Second, after G.S. prayed over the earth, I felt a huge shift in the land, and I saw like spokes going out from the heart of where we were, to all the edges of Colorado. One thing I noticed that the spokes radiated out were underground. The image was kind of like that of a wagon wheel. (C.D.)

The Colorado PATH gathering was "Beyond". It was the Real Thing. It was a Kingdom gathering of the Body of Christ/One New Man, saturated in Holy Ghost, where there was only One KING, One Savior, One God of us all being exalted, praised, worshipped, honored, adored . . . A powerful pattern of what every Sunday gathering must become. It was life-giving - electric with the atmosphere of Heaven. God just said, "If we build it (Heaven's atmosphere) they will come: He most assuredly will be there to meet every need." My Heavenly Experience during CO PATH: Jesus came down into the tent dancing with us in great joy and then the floor started to lift up with all of us until we were on His beautiful dance floor in Heaven. He was twirling in and out and around on the floor with all of us. He was ecstatic with joy, as were all of us. I saw and felt unspeakable joy. Didn't want that moment to end. I pray Lord God: bring every Colorado church behind-the-scene servants to play the keyboard, start us all out on the same note, add a little rhythm and LET US WORSHIP YOU, LORD JESUS CHRIST with all our hearts. D.F.

During CO PATH, I had the revelation that WE are the sound of revival! Because we are in the earth now, we are the new sound that many have been speaking of. We've never been here to make our sound before. This is the reason it is vital that we are re-tuned to Holy Spirit!" M.O.

When driving in on the day of the event about 10 or 11 miles out from Hartsel according to my GPS, I could tangibly feel the Glory of the Lord present on the land. There was a peace and an awe on the land in the spirit, and I could actually feel God's Glory was present. Hallelujah! While feeling this sensation and revelation and while praying and worshipping, I heard the Lord clearly say, "What takes place here today will shift the history of Colorado into eternity."

During the gathering at CO PATH, when the first nations man of God prayed and forgave for all the injustice done to his people and then gave the land over to God, that this exact moment something huge broke open in the spirit. I could feel it strongly. Perhaps this is when the geyser erupted (See the Pre-Event Testimony about the geyser). I turned to my friend and said that I felt the Lord say, "the water level is rising." Following this event as we gathered for Abba's Table that evening, the Lord spontaneously had me preach on Ezekiel 47, the seven churches of Revelation and the glory of the Lord. I feel that these are directly connected to what was released at PATH. N.B.

I attended the Colorado PATH tent of meeting on 9/24/22. During the repentance time I saw angels with scrolls waiting. Once the decrees were spoken, I saw the angels leave for the courtroom of Heaven.

After repentance was done and worship played, a sense of a transition to a higher place was felt by several people. As worship leader, Marcia, began singing Hallelujah / Agnus Dei - For the Lord God Almighty Reigns, I sensed a shift and activity in the heavenlies, as if there was a clarion call. I asked the Holy Spirit what was happening. Immediately, I saw a multitude of large angels appear filling the tent and covering the region outside. Angels everywhere I looked. They came to attention as we sang. Outside of the tent, the angels split and lined the path at the entrance of the tent awaiting the presence of the Lord.

I then saw Jesus step onto the path from the Heavenlies. The angels joined in singing with us, the Hallelujah worship song. Jesus entered the tent! He walked through the tent touching people. After a few steps He transformed into the Lion of Judah and continued to walk through the people in tent, roaring over all of us. He transformed back to Jesus walking and again transformed back to the Lion of

Judah. This reminded me of the Lion and the Lamb. His presence was strong and loving as He cares deeply for His intercessors. I sensed He released so much at that time, especially our destinies from the beginning of time to come forward. He has given us everything we need. For He is God!

Worship continued and I was given a vision of the (Southpark) valley, the region from mountain range to mountain range. There was a royal blue haze that filled the valley. I sensed this was a sign of healing on the land.

Towards the end of worship Joshua played and sang his last song. The keyboard sounded like a harp. I sensed the reverence of the moment. (Harp and bowl) The music was truly beautiful and issued in the Holy Hush. During the song, I saw the angels go to one knee and bow before the Lord. Again, I saw Jesus walk amongst the intercessors and He stopped before each one of us and kissed our foreheads.

The Holy Hush came upon us in the awe and wonder of the day. The people started speaking and I heard the Lord loud and clear, "Let My people speak." I prayed as directed by the Holy Spirit "Raise up your voices oh people of God". And heard the Lord say, "The earth hears the voices of My people and responds. Angels are activated and responding."

Praise God Almighty! All Glory to the Lord! K.M.

There was a free flow of Holy Spirit leading and guiding each person at CO PATH. Freedom for the young lady sitting near me with her family. I placed my hand over her mom's hand as her mom was laying her hand on the young lady's hand. Tears were shed from this young lady. I had a prophetic vision during the service of a strawberry pop tart. I kept it in my memory and waited for Holy Spirit to allow me to share this word of knowledge. I asked another young lady; Does strawberry pop tart mean anything to you? Yes, she said. As a result, she received prayer for the joyful future life God has been showing her. To God be all the glory. P.J.

I was part of the Rear Guard Prayer Team for CO PATH. We did not attend the event but were interceding throughout the day. Here is what the Lord showed me while praying on Sept 24 for Colorado Prayer at The Heart: There was a physical heart that had defibrillators applied to it. As the defibrillators shocked the heart, it started beating again and the blood flow was restored to all the arteries and veins connected to it. Holy Spirit said that the Pray at the Heart event was the action of the defibrillators shocking the heart of the State of Colorado back into life. Now as the heart of Colorado is once again beating, it is sending out the blood into the rest of the State bringing it back to life as well. I see this as having double meanings. The state is alive again, but it is also honoring life again as well. D. H.

I experienced the presence of the Lord as we were driving to the event. Once we passed Woodland Park, His presence was felt. Once we parked on the grounds, my tears had already begun. It was a privilege to be present. Thank you. G.A.

I was a Rear Guard Intercessor who was not at the event but was interceding for the gathering throughout the day. While in prayer, I had a vision where I saw geysers (wellsprings) of light springing up in the tent and then throughout the entire South Park landscape. It's interesting that I saw them as "geysers" since my husband later told me that the South Park geology is that of an ancient volcanic caldera and there used to be hot springs in Hartsel. As the vision progressed, I saw the entire valley explode into a huge geyser that filled up the valley and spilled out across the state. I later learned that I saw this vision during the time that a holy hush fell on the CO PATH gathering and participants spoke out prophetic words . . . about 3/4 of the way through the gathering. S.H.

Rezoning the Land - MJP

The Lord says He is rezoning the land of Colorado. In a rezoning, there is a change in governmental classification and permitted uses to create a new purpose or use according to regulations. There is a purpose for His people that has not yet been made known in its fullness. But things are about to change. The palate is changing. I am calling a people to come forth. They have been wrapped in grave clothes. But today I call them forth. The world thought they were dead, but I have called them alive and to live. I have called my people to be holy and to live in My presence. I am calling them forth and breathing into them. This is a repurposing and a rezoning. What couldn't work in the past will work in this new season. It is time to come forth. It is time to remove the things of the past that have bound My people. The grave clothes have been comfortable, but they have restricted My people. They have not had eyesight. They have not had their hands. They have not had their feet. It is time for a stripping of the things of old. Old wineskins. Behold I am doing a NEW THING. Do you see it? It is being declared in the heavens. The trumpet blast is going forth. I am creating a shaking that all will feel, all will know, but not all will understand. So do not try and understand or perceive with your eyes but fix your eyes on Me. I don't say this lightly. You MUST have your eyes on Me. You must abide in Me. You must learn to rest in Me. You must learn to walk in My ways. Hear My voice and obey. I am rezoning the land of My people. I am repurposing for this new season. The harvest is ripe, but in order to receive the reward, you must align with Me and walk with Me, live in Me. It is My Spirit in you that will strengthen, guide, and empower you to live in glory on this earth. My ways are not your ways. Are you ready? I desired a prepared people, a prepared land, prepared hearts and eyes and ears attuned to Me. May My love lead you in these last days, for the days are short. This time is My time. My time to shine. My Son will shine through you as you walk closely to Me. My love for you is great. Get ready. I am coming!

As I drove from Pagosa Springs, CO to Hartsel Colorado on 9-23-22, at the direction of the Lord, I stopped to gather soil from Mineral, Rio Grande, Saguache and Chaffee Counties. This soil, in addition to soil previously gathered from La Plata and Archuleta Counties, was to be a presentation of an offering to Him. Weeks earlier the Lord had spoken to me in a voice like that of a jealous lover that "Colorado is My land".

Water was taken from various rivers in Colorado and brought to the Lord for His purification and blessing. On 8-24-22, while sitting near the San Juan River in Archuleta County, I heard "the voice of many waters say, 'Many streams make glad the city of God'". I sensed the Lord was saying that He is pleased with the many streams in Colorado coming together, and it would bring much joy to His people.

As I drove through Saguache County, I counted six golden eagles, one flying across my path.

On Sept 23, when I approached the erected tent for the meeting in Hartsel, the spirit of unity and humility was apparent. Much love and appreciation for every single team member was expressed in hugs, words, and some tears as we were united together in one place, much like what it might have been like in Acts 1:14.

Later in the afternoon, the excitement and joy of the Lord was apparent as small teams went to pray along the passes leading into Hartsel.

On 9-24-22, before the meeting started, I was given the scripture, Isaiah 43:6: "I will say to the north, "Give them up!" And to the south, "Do not keep them back!" Bring My sons from afar and My daughters from the ends of the earth." There was much excitement and anticipation for meeting the Lord in His tent of meeting. Colorado soil and water was laid before the Lord as an offering as it was accounted for and accepted. As Holy Spirit led the meeting, the worship seemed to flow with God's words over His intercessors who had gathered in humility and oneness. When G.S. played his war drum, healing went out over the land in all directions. Freedom was released. Later, as he played his drum again, I became aware of Native American Warrior angels standing at attention outside the tent, witnessing what was released through his drum. During the entire meeting there was much angelic activity both inside and outside the tent. During a time of holy hush, I heard the Lord say, "I want the hearts of My people. I will have them, all of them. Be still while I woo their hearts. I am jealous for them. My fiery passionate love is drawing them near to My heart." At that time, I shared this word with another from our team. This was when she saw Jesus walking through and kissing each person's forehead.

On 9/25/22m as I was driving back to Pagosa Springs, I was told "to relax" and that "escort angels were on both sides of the roadway and my vehicle who would usher me home". Escort angels would do this for every person who came to the tent of meeting. Indeed, the drive was very peaceful and beautiful. The atmosphere in Colorado had changed.

At the direction of Holy Spirit, the sanctified and blessed converged soil was returned to higher grounds in Chaffee, Saguache, Rio Grande, Mineral, La Plata and Montezuma Counties. The Lord is also directing me to place converged soil in various locations in Archuleta County. K.S.

The Lord caught my attention with a gentle breeze inside the tent early on in worship, saying it was the wind of His Spirit. He later showed me the train of His robe moving over the tent in a circular motion and it was what was causing the stirring of His Spirit wind. He then gave me Zephaniah 3:17 (14-17 full context); specifically, the two times "rejoice" is mentioned, the 2nd in Hebrew meaning "be glad, joyful, joy; dancing & leaping for joy, also, spinning around with intense motion. He was/is dancing and rejoicing over us in an "intense" motion causing the train of His robe (signifying covering of His presence/glory) to swirl, causing His Spirit wind to blow in a way that will bring about how He's moving powerfully in Colorado. I sense His incredible joy and excitement over us for what He is doing/moving and our part with Him in the days ahead! K.J.

Toward the end of the CO PATH gathering, it was announced that Mesa County (Grand Junction) is now abortion-free! The last abortion provider went bankrupt in September and closed his clinics in Grand Junction AND in Glenwood Springs. And, the local hospital refused to give him privileges at their facility! PTL!

On Sept 24th, The Rear Guard Prayer Team joined together on 2 prayer calls to pray in support of the people attending CO PATH in Hartsel. The fervor of our prayer calls became their own, smaller version of the Hartsel event!

While we prayed for the Holy Spirit to spread throughout Colorado, I had an image that came into my mind of a wagon wheel, with the spokes radiating Holy Spirit Fire from Hartsel as the hub, all throughout Colorado, AND also radiating out from our 2 prayer calls. It was a very vivid picture, and I know the Holy Spirit was radiating out across all of Colorado! We also prayed that, from Colorado as the hub of the wheel, the Holy Spirit would radiate out from our state to the ENTIRE NATION!

Both calls were an amazing time of intercession, and we made many of the declarations from the Colorado Prays website at this link: [CLICK HERE](#). The document is also at the end of this report.

We closed our 2nd prayer call with this decree:

We decree that Colorado is the shofar of the Lord that releases the wind of God to the nations.

Post Event Testimonies

God is so good!! My husband and I have been contending in prayer for a marriage. As of two weeks ago, divorce papers had been filed and the house was up for sale. The husband was hunting just off of 285 less than 15 miles from Hartsel all last week through Saturday the 24th. On Monday after CO PATH, I was sharing the miracle healings with him, the thickness of the presence of God and told him about the ripple effect of the Glory of God going out from Hartsel ...and told him that he had to have received some of the first waves of the glory that started Friday as we raised the tent and the healings took place. He paused and then told me that it may indeed have happened because he and his wife agreed on Friday to put the divorce on hold for 60 days while they seek counseling to restore their relationship. God is doing it! Believe with us for victory for this precious couple and for every Colorado marriage!!! A.E.

On 9-27-22, in a dream, I was given an anointing for cleansing. I believe this was actually for every person who attended the tent of meeting." K.S.

Converged Soil/Water Testimonies

As an act of spiritual oneness, we had individuals from across Colorado gather soil from as many counties as possible. In addition, water was collected from most of the Colorado rivers. At the entrance to the Tent of Meeting, the soil was mixed together. Likewise, the water was mixed together.

During the early part of the service in the Tent of Meeting, the soil and water were prayed over and sanctified by individuals who are considered "Gate Keepers" of a geographic area of Colorado. Both substances were also prayed over by a couple representing the First Peoples of our state. They were presented to the Lord for His blessing.

The soil was then divided into small baggies for each of the 64 counties. The water was divided into bottles for each of the rivers.

Participants were invited to take one more bags of soil with them to distribute where the Lord would have the county blessed by soil that represents John 17 oneness for Colorado....a place where the Light of Jesus needed to be released into the land. The following are testimonies of the distribution of the some of the bags of soil.

Larimer County

I was able to attend the gathering in the heart of Colorado in Hartsel, CO in the beautiful Rocky Mountains. It was a beautiful flow of God's spirit.

Those who attended were encouraged to accept a small jar which contained a mixture of anointed, mixed soil collected from various Colorado counties. Prayerfully, we were to ask God what our assignment was regarding the jar of converged soil that we received: were we to keep it or pour it out someplace specific in obedience to the leading of the Lord.

The following day, Sunday September 25, the city of Loveland in Larimer County hosted a Pagan Festival Sunday calling for teens and their families to participate. Out of obedience to the Lord's direction, my husband and I drove to the location of the pagan event, in order to counteract the effects of this satanic festival. As I walked toward the festival and before I turned the corner into the street where the festival booths were displayed, Holy Spirit witnessed to me that a Heavenly Host of God's Angels were waiting above the crosswalk at the end of the street. They were revved up and waiting until the anointed, converged soil from the Colorado counties was poured onto the Loveland soil, in order to overtake the plans of the devil that day. Once I poured out the soil, I believe that the angels were launched into their assignments at the festival. May God seal this act of obedience with the Blood of Jesus Christ and I pray that no retaliation follow us.

Declaration and Decree of God's eternal Holy Bible; 2 Cor. 10:4-7 and Luke 10:19 Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy:

and nothing shall by any means hurt you. (Loveland and Larimer County in Colorado). May no satanic plans to kill, steal or destroy be fruitful from this Pagan Festival, in Jesus' name.

John 10:10 The thief cometh not, but for to steal, and to kill, and to destroy, I am come that they might have life, and that they might have it more abundantly. (May the power of Jesus Christ flow from the body of Christ through God's people to pray, say and believe God for salvation, healing and deliverance for this area). (P.J.)

Arvada/Jefferson County

Greetings from Arvada! Several people from our church were at the Tent of Meeting on Saturday. I took back my little vial of dirt and as I got ready for church Sunday morning, I felt like the Lord said to sprinkle the dirt on the carpet before the steps to the altar and that He would bring tears of repentance to water the seeds of revival. We did not know that our Pastor would be teaching from Psalm 51 (on repentance)! He was blessed, we were blessed, and the Lord brought a wonderful altar call where tears of repentance covered the dirt from the Colorado Prayer at the Heart. Absolutely amazing!

Israel. But it doesn't stop here. One of the women on our flag team is going to Israel in a week and feels like the Lord has called her to meet with Him on Mt. Carmel. She is taking one of the other jars of dirt we brought home to Mt. Carmel to pray for revival in Israel. Absolutely amazing again!! Your obedience is bringing forth fruit. 😊 So thank you for putting this together, for all the work and sore muscles that went into it. May the Lord Bless You! Thank you from the bottom of our hearts! (K.M)

Encouragement Going Forward

Many shofars were blown at Colorado Prayer at The Heart. We learned, through revelation, that WE are the new sound that the Lord wants released throughout the land. Please be mindful of your words and tone of voice as you communicate with others. We are to be a holy people, sanctified before the Lord. Let's release our sound that way, every day, for His glory!

Finally, lift your voice as a shofar and make the following declarations as we move forward after Colorado Prayer at The Heart. We have also included a separate set of decrees for Colorado to be declared out loud.

1. We declare that we are the Ecclesia of Colorado: peace-making sons of the Most High God Who was, Who is and Who is to come. Matt 5:9
2. As the Ecclesia of Colorado, we now choose to walk with no Fear other than a reverent fear of God with our trumpets (voices) sounding the shofar blast - a sound before the King, Adonai. Psalms 98:6

4. We declare that we will be alert, stand in the faith, act like sons of God and be strong in the Lord. 1Cor 16:13
5. We declare that we have eyes to see and ears to hear The Truth in the midst of the lies, deceptions, traps and delusions of the world around us. Rom 11:8

7. We declare that the people of God across Colorado now step into their assignment as ministers of the Gospel to pray with others and show the love of Jesus to a hurting world. Isa 6:8
8. We declare that the Colorado Ecclesia is now alert and engaged to receive the Harvest of every soul in Colorado, flowing, in signs, wonders and miracles. Luke 10:2
