

## Monthly Prayer Digest

June, 2017

Overview. These Prayer Points are a monthly supplement to the 1Church Initiative Prayer Guide. If you do not have the Prayer Guide, you can obtain it from your church's prayer coordinator. Feel free to re-use each Monthly Prayer Digest as you are led.

Source & Tone. Please note that the prayer points for each sphere of society are drafted by a Prayer Trust (strategic prayer team) that meets regularly to pray strategically into that sphere. As a result, the tone and style of prayer may vary from section to section in the Digest.

What to Pray. Regardless of the style differences, the prayer points are what the Lord revealed to each Prayer Trust during their prayer time focused on their sphere/topic. Please pray in agreement as the Lord leads you. Do NOT feel obligated to cover every prayer point in this Digest. Ask God what is on His heart for your prayer time and focus on the topics He highlights for you.

### MEDIA PRAYER POINTS:

1. As Jesus said in Matt 28:18, we agree that "all authority in heaven (and in media) and on earth has been given to me." We repent that people in media and those exposed to media have been operating from a mindset that that is unbelieving, apathetic, ineffectual and conquered. We declare that all in media, or exposed to media, now operate as empowered warriors in God's Kingdom declaring "repent and believe the Gospel!" (Mark 1:15)
2. We declare that the Kingdom of God is advanced and established in Colorado through all forms of media. (Mat. 6:10)

7. We declare that every believer in each form of media perseveres in God's Truth to overcome by the blood of the Lamb, and by the word of their testimony. (Rev.12:10-11)

### EDUCATION PRAYER POINTS:

1. Pray that praise breaks through all evil in schools statewide.
2. Pray that goodness abounds in our schools - extending grace to other people. Watching out for the poor and the sick so that there is breakthrough against all oppression.
3. Pray that students who are struggling seek and receive the help needed to successfully stay in school.
4. Pray for God's peace and safety over every Colorado school.
5. Pray that God's love so abounds in every Colorado school that suicides are no longer an issue anywhere in the state.

### FIRST RESPONDER POINTS:

1. For Officer Safety. Pray that the officers will implement their training and be sure they follow safe practices. Pray for supernatural protection during their shifts and off duty as officers have been targets off duty as well as on duty.
2. About Officer Overtime. Staffing is an issue. There are not enough Officers to cover vacancies causing many to work significant amounts of overtime including some who are getting ordered to work every day of their work week. Which means they are working back to back 16 hour days with very little sleep time. This is both dangerous for burnout and hinders their ability to be alert for their very dangerous duty. Pray for breakthrough to allow an increase in staffing.
3. Frustration with poor/inaccurate media reporting. Officers are being berated in the news concerning issues they are not able to comment about. An Officer is always under a gag order meaning they cannot respond to any accusations of any kind. If the media reports an incident it is almost guaranteed they are not reporting accurate information. This puts added stress on the Officer on and off duty when friends and family begin to ask questions regarding the reporting. Pray for peace among officers and accuracy in all media reporting.
4. Pray that Officer's Public Relations will improve. The general public has been so very supportive with Law Enforcement. However, due to inaccurate media reporting, National Racial Tensions, and antinomianism (anti-law sentiments), the public opinion of Law Enforcement has taken a very big hit. Clearly Officers need to act with professionalism and decency in all aspects of the performance of their duty and integrity is an absolute must. However, what Officers need to know from the Lord, is how they can implement public relations that are effective to change the image dominant in our communities. Pray for the professionalism of every officer and wisdom to communicate in ways that portray a positive image to the public.
5. Officer Marriage and Family health. Officers need supernatural breakthrough intervention for their families. When Officers are working extensive overtime, being negatively reported in the media, or have morale issues in their families, everyone suffers putting undue stress on the marriage and family environment. Pray for Holy Spirit intervention in each family member in every family restoring peace and enhancing relationships.
