

# Declarations for the Nations

## Introduction

As you Charge Forward in your walk with the Lord, you may feel called to pray for the nations. 1Tim 4:14-15 tells us to “not neglect the gift that is in you, which was given to you through prophecy with the laying on of hands by the council of elders. Put these things into practice, devote yourself to them, so that all may see your progress.” One of the ways to put prophetic words and visions into practice is to pray into them.

The declarations in this document were derived from a prayer call with intercessors from around the world who are associated with the Transform Our World movement. Consider speaking the following declarations in faith believing for a mighty move of the Lord worldwide. You can learn about this movement from the website associated with Transform Our World Colorado at [www.towcolorado.org](http://www.towcolorado.org)
