Recruit Church Pray-ers

Recruit church pray-ers to fill the church's 24 hour Prayer Watch with "faith filled" prayer. Provide a way for pray-ers to sign up for prayer time slots. There are two options:

1. Online Signup. Contact Amy Everette at 303-814-1379 amy@onevoice4t.org to set up your Prayer Watch in our online prayer campaign management tool. You can then use the system to track open timeslots and communicate with everyone in your Prayer Watch
2. Paper Signup. Use a paper-based system to let people sign up (see website for sign-up forms) and manually track open time slots. You can then use your church's email system to communicate with everyone in your Prayer Watch.

Encourage Pray-ers

1. Encourage pray-ers to pray first for themselves and their family, then for your church and finally, for the city (and state).
2. Follow-up and encourage the people who signed up for timeslots in the church's Prayer Watch for Colorado Prays. Use your online group or your church's email system.
3. Explore how the prayer time is going with pray-ers to monitor how God is moving within the church through the Prayer Watch. Use your online group or your church's email system.
4. Identify resources and/or training that may be helpful to enhance the church's culture of prayer. (Check website for resources)
5. Establish a method for sharing answers to prayer. Options include:
 - Use paper forms during church services
 - Use your online group at www.onevoice4t.org to post prayer requests and praise reports. Contact Amy Everette to set up an online group for your church.
